

## 567x Wall Outlets

This is the only series of outlets featuring single, double and triple outlets, all with IDC punch-down blocks. In addition, the single and double outlets are supplied with spring loaded shutters as an option.

The 567x outlet meet the electrical specifications of the latest ISO/IEC 11801 and CENELEC 50173 standards. The outlets may be installed in a "mix and match" Class D (100 MHz, Cat 5e) cabling solutions, or as one component in a Class E 250 MHz channel cabling system

### Some features:

- Shielded and unshielded, single, double and triple angled outlets
- Two colours are standard, Ivory (RAL1013) and White (RAL 9010).
- Cable access from top.
- Optional spring loaded shutters on single/double outlets.
- Thorsmann coloured frames and adapters for easy "snap-in" to Thorsman cable trunk systems.

See Product sheet on "Wall Outlet Accessories" (WO9807UK) for detailed information on Telesafes wide range of frames, adapters, wall boxes and installation brackets.

All outlets are manufactured out of non-toxic and 100% recyclable material.

**15 year product guarantee.**
