

# Wall Outlet Accessories

A range of accessories are available from Telesafe, such as different wall mount boxes and frames in different colours, adapters and mounting brackets.

## Wall mount boxes:

Two different wall boxes are available. Both have the TS frame, but one is 32 mm deep, the other is 40 mm deep. The 32 mm box is 80x80 mm, while the 40 mm box is 84x84 mm. All outlets fit into both boxes.

## Frames:

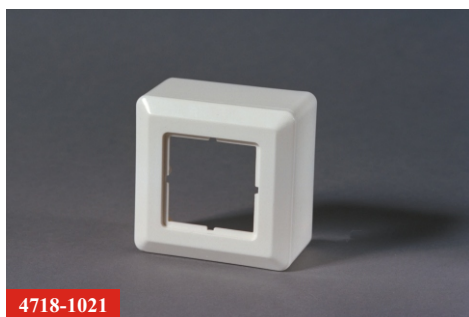

Several types of outlet frames are available, among them the TS frame with single and double design, or a single EURO normed frame.

## Adapter frames

To make the Telesafe Outlets fit for various vendors frame and trunking programmes, a series of adapters are available.

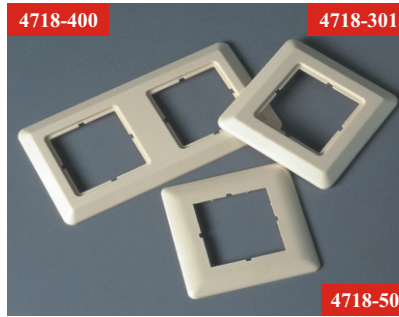

## Installation brackets

Help you speed up installation work, save money and eliminate cable access problems.
